

# ARNOLD HALL & MARY E. REILLY COLISEUM

Home of the Miami-Dade County Fair & Exposition and South Florida's premier multi-purpose event facility.

Only the imagination can limit the possibilities of this multi-purpose facility. This large capacity exhibition hall is fully air-conditioned and features a quality sound system, extensive electrical capacity, private show offices and box offices. There is an in-house restaurant with a recently renovated dining room, a separate meeting room with a stage and public restrooms.

The Reilly Coliseum can be an independent area completely closed off from the rest of Arnold Hall for a specific event, or it can be opened up to become part of the overall exhibition hall.

Parking for 600 vehicles adjacent to the hall and thousands more on 50 acres of fully lighted general parking.
