

MAIN ENTRANCE

*Home of the Miami-Dade County Fair
& Exposition and South Florida's
premier multi-purpose event facility.*

This tropically designed main entrance to the entire Fair Expo Center leads to an expansive entrance plaza and contains a collection of rooms that are perfect for training sessions, meetings or conferences.

In this structure, there are two floors with four separate room areas ranging in size from 1,000 to 1,650 square feet. These areas are interconnected by stairs, elevators and an indoor catwalk on the second floor, which allows secure transfer of funds from the 14 ticket booths with two windows per booth below.

Kitchen facilities, restrooms and all amenities are easily accessible to each room. Fifty acres of parking are immediately adjacent to this facility.
