### Theme:

G.I.R.L. (Go- Getter, Innovator, Risk-taker, Leader)!

### 6 Project Limit:

To allow for the appropriate time to plan, design and create an original entry, no more than six projects per girl may be submitted. (Each entry must have its own individual entry number.)

### Rules:

1. Age Limits and Girl Scout Membership Requirement for Entry: All girls entering a project at The Youth Fair must be between the ages 5 and 18 years old and must be a registered member of Girl Scouts. Girl Scouts can enter any project as it relates to her Girl Scout Journeys and/or Skill-building and legacy badges; including specific projects (i.e. Girls' Fast Track Races cars, productions, writing, ceramics, pioneering (if space allows), recycle projects (up-cycle, artwork, etc.), nature art, code art, and any project(s) created at GS council events.
2. No more than six entries may be entered for each Girl Scout. Use the Club Entry Form and indicate the troop number in the space provided. All projects entered **must be of high exhibit quality** and show planning, time and effort. **Projects should reflect the age level of the Girl Scout and will be judged by age level.** If entering a Group Project, submit the name of each scout in the group on the Club Entry Form and indicate the Troop number in the space provided.
3. Size and Mounting Specifications: Project size should not exceed 24" x 24" x 24". **Any project larger than the above specifications and/or that requires extra time/space, must be approved by Superintendent Nydia Gonzalez at 305-303-4217 prior to registration deadline. Leave a message and your call will be returned.** Exhibits designed to be hung MUST have **proper hardware securely attached and BE READY FOR HANGING and must be easily manageable.**
4. **ALL large projects must be completed and ready to display. Please bring photo journal of girls doing the project from start to finish. All large projects that need to be assembled must be done by the girls on site. Depending on the number of large project entries, your project(s) may or may not be displayed. If the project is unable to**

**be displayed, the girl/troop must create a collage for display and judging of project. Pictures must include the creation process and completed project, girls MUST be included in the creative process. A description of the project must also be included. We encourage girls to be Creative, Innovators and Risk-takers with with all projects.**

Large displays, once approved, must be set up a week prior to check in. Date and time will be given for all large project set up. **NO DUPLICATE ENTRY TAGS.**

5. Each project must have its own entry tag(s) number which must be securely attached to the front of each project. It is your responsibility to ensure NO Duplication of ID number. Do not detach claim ticket. **Leader's name and phone number, along with troop number must be placed on the back of each tag.** This is for easy contact if an award is achieved. Group entries must also show age level of each girl and each girl should also have an entry tag (No Duplication of ID number). ALL projects MUST be pre-registered. NO project registered on Check-in day will be accepted.
6. **STEM Projects:** The Girl Scouts of America has incorporated STEM (Science, Technology, Engineering and mathematics) into its program with the goal that girls will see how they can change the world through scientific discoveries. Exploration of STEM subjects is encouraged through a new series of badges (digital art, science and technology, innovation and financial literacy) and through leadership journeys where girls identify a problem, come up with a solution, a plan how to carry out the solution and afterwards communicate what she learned from it. Girls may submit individual and/or troop projects that illustrate one or more of the following disciplines. Entries must include an index card with an explanation of the project and the STEM connection. The following are examples, and not an exhaustive list, of acceptable STEM projects. Any project that needs to be displayed on a computer monitor or other electronic display must include power cord. Please refer to Section 8 for specifications on what is not acceptable. If a project includes a non-acceptable item, the scout may submit a photo collage of the project process and final project:
