The ABBA requires that everyone who exhibits cattle in an ABBA Show must be a member in good standing as either a Junior, Active or Show Member. Please review the ABBA Constitution and Rules to familiarize yourself with the membership levels along with their requirements.

1. Animals must be registered in the American Brahman Breeders Association to be eligible to compete in association sponsored shows. The registration certificate for each entry must be available for presentation to the superintendent or manager of the show at the time entries are verified prior to judging.
2. The registration number and animal identification number (number branded on animal) of (1) each animal must be entered in an individual class, (2) the sire of each get-of-sire entry and (3) the dam of each produce-of-dam entry must be listed on the entry card of each animal entered.
3. Entries that have not complied with rules one (1) and two (2) will not be eligible to show, receive premium monies or earn points in the association's Register of Renown.
4. Animals to be eligible to be shown in group classes must be entered and shown in individual classes.
5. Entries will be listed numerically according to age (oldest first) in catalogs and judging schedules. Include animal identification number (number brand) as a part of identification. When entering the arena for judging, the handlers will line cattle up numerically in the same order.
6. Judges will be allowed to comment on placings in selected classes when conditions permit.
7. Each animal will be presented in the showring in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical or circulatory constriction including banding or other appearance change, save only branding, tattooing, foot trimming or dehorning. Injections of foreign substances internally for cosmetic purposes, steroids, growth hormones or stimulants shall be prohibited. If to the satisfaction of the ABBA staff, officers, executive committee or board of directors an animal has had its natural conformation or structure altered or been administered steroids, growth hormones or stimulants; then the said animal shall be ruled ineligible to compete until such time the Show Committee and owner/owners have reviewed the case. Any violators, both owner & fitter will be ineligible to exhibit cattle at ABBA Approved Shows for 5 years.
8. If any exhibitor/owner/showman interferes in any way with the judge or shows disrespect to him, or to the show in the ring, the exhibitor/owner/showman may be dismissed by the judge or show management from the ring. The management may withhold from each exhibitor/owner/showman any premium monies that may have been awarded or take other steps deemed desirable.
9. In cases where families, companies, corporations, etc., are operated as a unit under the same management but have cattle also registered in the name of the individual partners, said cattle, even though bearing a different ownership brand, are eligible to be shown in competition under the firm name provided they have not been and will not be shown in the name of the individuals.
10. For females being shown in the three oldest classes ****CURRENT YEAR LESS 3 YEARS**** (females calved Sept. 1, 2020 - August 31, 2020, for Fall Shows; females calved Jan. 1 - Dec. 31, 2020 for Spring Shows), exhibitor must have a certificate of pregnancy no older than 30 days issued by a licensed veterinarian or certified technician to be presented to show officials at time of check-in or registration paper check. At the International, National and any other participating show, the Original Registration Certificate or Original Copy (Blue with COPY across it) of each animal entering the ring for the group classes must be presented to the Show Official for parent verification. In an attempt to

- accommodate the exhibitors, the registration certificates of animals being exhibited in the group classes will be checked in advance at a specified time. Two animals for Natural Produce, four head for Embryo Produce and six head for the Get of Sire classes can be checked allowing the exhibitor to make the final selections prior to the show. If an exhibitor does not want to check papers early they would then have to bring papers on each animal that will enter the ring, at class check-in.
